Food Stamp Changes:

Most families get less food stamps when they get more cash aid. You will get a separate Notice of Action if your food stamps change for other reasons.

If you think there is a mistake in your cash aid or food stamps, you may want to file for a state hearing. Your food stamps may stay the same until the hearing or the end of your certification period, whichever is earlier. If the MAP increase is the only reason you got less food stamps, your food stamps will not stay the same until the hearing. If the hearing decision says we are right, you will owe us for any extra food stamps you got.

You can ask about your hearing rights or ask for a state hearing at the state information number:
